
Assistant Grower

Job Description

If this is your passion, we would like to speak with you!

We are currently looking for entry-level Assistant Growers to join our team at Scottsdale Farms.

Our Growers are directly responsible for producing quality products in their assigned production area. Assistant growers offer growers support in the daily maintenance of plants throughout their production cycles.

Duties for Growers and Assistant Growers include, but are not limited to:

- Proper watering of plants
- Monitoring plants for growth, health, insects and diseases
- Fertilizer and nutrient management and application
- Plant record keeping and reporting plant development and any issues to Growing Manager
- General housekeeping of the assigned greenhouse section

Qualifications needed:

A passion for growing plants

Ability to accurately follow instructions and effectively communicate

Applicants must be able to:

- Be on your feet during the day
- Lift, carry, and move 25+ pounds
- Work in greenhouse environment with varying temperatures, dirt, dust, and other possible allergens
- Able and willing to work in a safety-controlled environment

We offer:

- Full or part-time year-round or seasonal work
- Friendly, family-oriented work environment
- Opportunity for advancement with proven performance and initiative

We invite you to explore our website www.ScottsdaleFarms.com to learn more about us and history.

If we seem like a fit for you and you have the experience, knowledge, skills, abilities, and motivation to grow only the highest quality, please apply today!

This Job Is Ideal for Someone Who Is:

- Dependable -- more reliable than spontaneous
- People-oriented -- enjoys interacting with people and working on group projects
- Adaptable/flexible -- enjoys doing work that requires frequent shifts in direction
- Achievement-oriented -- enjoys taking on challenges

Job Types: Full-time, Part-time

Pay: From \$10.00 per hour

COVID-19 considerations:

All customers and employees are required to wear face coverings.
