

Garden Center Operations Manager

Resting on 65 beautiful acres in the North Atlanta suburbs, Scottsdale Farms Garden Center & Nursery is considered by many as the premier destination garden center in the Southeast. We are looking for a professional to join our management team as the Operations Manager.

In this role, you will be responsible for the overall management of the garden center working closely with the founder/owner and other members of our team.

Operations Manager Responsibilities

- Responsible for overall successful operation of the Garden Center & Nursery.
- Help hire, train, and coach staff
- Foster teamwork and maintain a positive work environment
- Help team members to grow and learn
- Hold huddles with team and clearly communicate
- Help grow sales
- Manage expenses including cost of goods, labor, supplies, and other controllable expenses
- Daily weekly, monthly, and yearly strategic planning
- Assist customers
- Other duties as they arise to help ensure success of the business

Operations Manager Requirements

- Successful retail management experience, preferably in the horticultural industry
- Excellent communication and managerial skills
- A positive personality
- Verifiable successes in past jobs as an effective leader and team-builder

This position offers excellent pay (commensurate with experience), bonus plan, paid vacation, holiday pay and benefits.
